If any is sick among you, let him or her call for the Elders, and let the Elders pray over him, painting him with medicine **in the name of the Creator**, and the prayer of faith shall save the sick, and the Provider shall surely raise him up and restore him.

If he has committed offense against anyone, it shall be forgiven.

Admit your faults one to another, **and pray one for another**, that you may be healed.

**Healing Prayer** accomplishes much to help.
